

Loop 101 (Pima Freeway) General Purpose Lanes

Princess Drive to Loop 202 (Red Mountain Freeway)

ADOT Project No. 101 MA 36 H6874 01C

Project Hotline (602) 235-2868

Loop 101 (Pima Freeway)

As part of the Regional Transportation Plan (RTP), new northbound and southbound general purpose lanes will be constructed on the Loop 101 (Pima Freeway) from Princess Drive to the Loop 202 (Red Mountain Freeway). The northern portion of the project area is within the City of Scottsdale and the remainder is within the Salt River Pima-Maricopa Indian Community.

The Arizona Department of Transportation (ADOT) is completing an environmental impact analysis and preliminary engineering studies for this 15 mile project and is actively seeking public input for this project. The process addresses preliminary roadway design, environmental issues, noise mitigation and lighting to accommodate the new travel lanes.

While the project will be constructed within the existing roadway right of way, some realignment of entry and exit ramps may be necessary; these will be identified during the planning process.

Future Project Schedule

Shea Blvd. to 202L (Red Mountain Freeway) - Final Design 2013

Shea Blvd. to 202L (Red Mountain Freeway) - Construction 2014

Princess Dr. to Shea Blvd. - Final Design 2021

Princess Dr. to Shea Blvd. - Construction 2022
